The Simple Rules

This pamphlet was created to help explain the simple rules of garbage / recycling collection, and how to find the right information.

Pick-up Day

Make sure you know what day to put your garbage and recycling out. If you are new to the area, check with your neighbors or contact Nuway Disposal for the pick-up day. Make sure you don't put your totes out before 6pm the night before your pick-up day, and remove them as soon as you can to keep our neighborhoods looking good.

Garbage, Recycling, Yard Waste

Garbage

The Village of Homer Glen has a "take all" service for garbage collection, this means you can put out as much refuse as you need to. Limits of 2 yards of remodeling debris and 1 bulk item (refrigerators, freezers, other appliances).

Recycling

Containers - tin and aluminum cans and foil, plastic marked #1 - #7 (no #6), glass bottles and jars (clear, brown and green). No window glass, light bulbs or ceramics.

Paper and fibers - newspaper, cardboard, brown paper bags, magazines, catalogs, office and computer paper, chipboard, soda can boxes, junk mail and envelopes, paperback books. For a complete list see the Village Website.

Yard Waste

Is picked up from April 1st to November 30th. Use the tote or yard waste bags, no special stickers needed. Reduce burning and improve air quality.

Village Requirements

The Ordinances

08-043, This is the Village Ordinance for refuse and recycling . It covers illegal dumping, making sure your refuse / recycling is covered and in an approved container, Allowing your refuse / recycling to become wind blown, separating your refuse, recycling and yard waste. And enforcement methods.

08-048 section 8.7 Zoning.

States trash dumpsters and /or garbage receptacles may not be stored in the front setback in any residential zoning. This means we should all store our garbage receptacles in the side or rear setback.

* Both ordinances can be read online at www.homerglenil.org
