

Enbridge pipeline maintenance is underway in your area.

**BEGINNING
THE WEEK OF
JUNE 8**

Maintenance activities will take place adjacent to Yorkshire Drive.

As part of our ongoing maintenance program, crews will be working on our pipeline system in your area.

Please watch for posted signs and use caution when driving near areas of pipeline maintenance. Our first priority is to protect communities along our pipeline route and our employees and contractors. We appreciate your patience during pipeline maintenance activities and apologize for any inconveniences.

Thank you. Your safety is important to us.
