20181211	12/12/2018	I am writing to you on behalf of Local Labs which is the publisher of Prairie State Wire, an online publication that reports on and informs the public about local government activities. We are requesting election data for last held election in your jurisdiction. Additionally, we are requesting electronic (preferably non-PDF such as CSV, Excel, Txt) data with the following data points: 1) Election Type (2018 November General/Consolidated/Local/Municipal) 2) Election date 3) Contest/Race (i.e. Governor) 4) Candidate name 5) Candidate party (if applicable) 6) Vote count 7) Filing Deadline for next election	Kaza Rhan	Local Labs	20	\$10.60	0

20181212	12/14/2018	I have been asked to look into a permit for 13328 W. 167th Street. As I have it, the site is an unincorporated flag lot that has the Village of Homer on it's east side. The parcel next door to the east has a recent home (In the last 10-20 years) and has access to Parker down the private drive that the Marsala home I worked on is at the end of. The unincorporated and incorporated sites appear to have a floodplain between them (probably mostly on the unincorporated side). I am curious to know if any sort of determination of flood elevation was done for permit for the above listed Parker Road Site and if the Village has any information on that determination that we might use to make a determination for the County. Even if I knew the benchmark used for that site would help or if one was just approximated. If I'm not mistaken, this site on the private road is a pre-cut cabin like home. The only part of the site I am looking at appears to be opposite the structure on 16469. Any information would be of great help. Even if you are aware if this site was constructed before being incorporated. (It was built after the first home we did for Marsala on that road and they were unincorporated back then, but I have my doubts that 16469 was unincorporated at the time of permit. If it was, I'll go back to the County about it, but they so far seem to have no knowledge of it.)	Matthew Dunn	Lincoln Way Engineering and Land Surveying Ltd	65	\$54.25	0
20181213	12/21/2018	A list of all contractors working on the construction located at 13655 Jessica Lane. Please include business name, name of owner, and all phone numbers.	Paul Parise		15	\$7.95	0
20181214	12/27/2018	According to the Freedom of Information Act, and as required by ASTM Standard Practice E 1527-13 for environmental site assessments, EPS Environmental Services, Inc. requests to obtain information from the following Village/Town/City department(s) in order to ascertain the historical uses and/or occupancy of the following property, to determine if any may have had an environmental impact: 13201 & 13231 West 143rd Street in Homer Glen PINs: 16-05-11-103-058-0000 and 16-05-11-103-059-0000. From the Building Department (or similar) - Any records reflecting the permission to construct, alter or demolish improvements on the Property, and which indicate the Property's original development and/or past usage history. Additionally, any records with environmentally significant information, such as the installation or removal of underground storage tanks, or records of complaints, inspections or permits reflecting air emissions, noise, asbestos or hazardous materials. From the Zoning Department- The current zoning restrictions; and if available, the historical zoning restrictions on the Property, (i.e., the zoning designation(s) and brief definition(s) only, not the entire ordinance) to determine if the Property's use has changed significantly.	Ross Kroll	EPS Environment Services, Inc.	40	\$27.00	0
20181215	12/31/2018	Tests, reports, or flood plain issues regarding the property located at 13622 Kickapoo Trail S. Homer Glen, IL 60491. Also, would like any information regarding if there is a homeowner's association and who I could contact in regards to putting up a fence. Is there a blueprint available?	Todd Summerville		20	\$10.60	0
TOTAL					375	\$236.05	\$0.00
