Re: Street Light Maintenance Contract Extension

The Village of Homer Glen has advised us of the intent to extend the current Street Light Maintenance Contract in effect May 1, 2018 to April 30, 2019 for a one-year period of May 1, 2019 to April 30, 2020 under the same Specifications, Conditions and Terms noted in the original contract dated May 14, 2015.

The same unit price for routine maintenance will continue at \$4.25 per light. The new contract in effect May 1, 2019 will be for 656 street lights at \$4.25 per light x 12 months = \$33,099

It is our understanding that if additional lights in new subdivisions are accepted by the Village, the number of lights per the \$4.25 per light unit price will be increased.

Thank you for allowing our Company to continue performing electrical service/maintenance to the Village of Homer Glen.

Sincerely,

Gary R. Misicka  
Vice President
