Requirements to be met for the Building Department: (if applicable)

- (4) copies of building or structural plans sealed by an IL Architect or Structural Engineer.
- All mechanical, electrical and plumbing plans sealed by an IL Architect or Professional Engineer.
- Letter of intent is required from the Plumbing & Electrical Company doing the work.
- A copy of the plumbing contractors 055-state plumbing license.
- Letter of approval from local Fire Protection District required.
- (1) Fire Sprinkler Plans, stamped by Engineer or Nicet-Level 3. ***send to Fire District**
- (1) Fire Alarm Drawing with calculations, stamped by Engineer or Architect. ***send to Fire District**
- A pre-permitting inspection may be required.
- A Health Department permit and inspection may be required.
- Permit Application Fee due at time of submittal (accepted: check, visa/mastercard, money order or debit card)

Please Read the Following Provisions:

1. I/we also agree that all work performed under said permit will be in accordance with the site plan(s) and building plan(s), State, Federal & Homer Glen regulations.
2. I/we understand that if the proposed structure or use violates the Zoning Ordinances of Homer Glen, the entire application will be returned to the applicant for further action to bring proposed structure into compliance with ordinance requirements.
3. I/we understand that if construction is not commenced within one hundred and eighty(180) days from issuance, or if construction is not completed and a final inspection for occupancy is not requested within one(1) year of issuance your permit is void. If structure is not completed within one year the original permit is void and must be renewed to continue work or request any further action.
4. I hereby certify that the proposed work is authorized by the owner of record and that I am the owner or have been authorized by the owner to make this application as his/her authorized agent and that all contractors listed and/or owners doing their own construction are true and accurate.

NOTE: All building permits are pursuant to the Village of Homer Glen Building, Zoning and Stormwater Ordinances. Building, electrical, plumbing, fire and/or health inspections are required prior to issuance of the certificate of occupancy. **Separate permit is required for signage.**

The Building Permit Fee is non-refundable.

I hereby certify that I have read, understand, and agree to conform to all governing information and regulations set forth by the Village of Homer Glen.
