HERITAGE PARK DISC GOLF COURSE

Disc Golf: Object of the Game

To play each hole in the fewest throws (*strokes*) possible. The player with the lowest total strokes for the course wins.

Guidelines for Play

- Each hole begins at the tee.
- Subsequent throws are made from the place where the disc comes to rest (the lie).
- The player who is farthest from the target throws first.
- The hole is completed when the disc is supported by the target's basket or chains.
- Tee off order is determined by the players' score on the previous hole. Lowest score tees first.

Basic Rules of Play

- A player must have a supporting point behind his lie and in line with the target with disc is released.
- A run up and follow through are allowed unless the lie is within 10 meters of the target.
- Any shot within 10 meters (32 feet, 10 inches) of the target is considered a putt, and players may not step past the lie as part of their follow through.
- Casual relief should be taken from an unsafe lie.
