RE: Village of Homer Glen, Street Lighting Maintenance - Bid Tabulation and Letter of Recommendation
HR Green Job No. 210176

Dear Mr. Salamowicz:

The Village of Homer Glen received three (3) bid proposals for the Street Lighting Maintenance project at the bid opening on March 30, 2021. The three bids ranged in price from a low bid of \$34,860.00 submitted by Lyons & Pinner Electric Co., to a high bid of \$46,219.80, submitted by Meade, and represents competitive pricing for work of this nature. See the attached bid tabulation for further information.

We have analyzed the bid documents and checked them for accuracy and find Lyons & Pinner Electric Co., of LaGrange, Illinois, to be the lowest qualified bidder. HR Green, Inc. recommends award of the contract to Lyons & Pinner Electric Co in the amount of \$34,860.00. As with all unit price contracts, the final project amount will be determined after completion of the work.

Please let me know if you have any questions or need any additional information.

Sincerely,

HR GREEN, INC

Explanations WILL COUNTY

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.
