DESIGN GUIDELINES

Use the space provided on this page to create your design or send the Village an image that is 5" x 7". Designs can be vertical or horizontal. Use all of the space. Some suggestions for the design include:

- 1. Celebrate Inclusivity:** Create a card that represents everyone, including people of all abilities.
- 2. Positive Messaging:** Include a holiday message that promotes love, acceptance, and community, emphasizing the importance of supporting one another, regardless of differences.
- 3. Design with Accessibility in Mind:** Use large, clear fonts and bright, contrasting colors so your design is accessible and easy to read for everyone, including people with visual impairments.
- 4. Incorporate Symbols of Helpfulness:** Show acts of kindness, such as helping hands, friendship, or joyful interaction among differently-abled people.
